

SWIMMING POOL TERMS AND CONDITIONS 9am – 9pm

SWIMMING POOL NOT TO BE USED AFTER 9PM!

Please be aware that the use of the swimming pool on an evening will only be up to **9pm**. This is due to problems with noise in the past and complaints from neighbouring properties, this is a residential area and we would ask that everyone respects this

1) The water in the swimming pool is checked and cleaned daily and is in a safe and clean condition to use if any of the following occur whilst in use and the water goes cloudy there will be a charge of £65 to reset chemical balance:- use of make up or cosmetics whilst in the pool, use of body tanning lotion whilst in the pool, dirty feet continually in and out of the pool (please use sandals or similar to walk to and from the pool and clean feet before entry of the water), Spillage of drinks in the water. Please also be aware that if we do need to do a thoroughly clean of the water it will take 72 hours to get it back to the correct temperature.

2) Children to be supervised at all times

3) Towels are provided for the pool they can be found in the pool changing room. Please do not use towels from your room.

4) **Always** put the cover back over the pool when not in use, this is very important as it helps maintain the temperature, and stops debris etc falling into the water. Please make sure you do this whenever it is not going to be used for a period of time, ie. bedtime or during the day if you decide to go out - this is a 2 person operation.

5) Under no circumstances must glasses be taken into or near the pool for drinking out of, we have provided plastic glasses for your use for this purpose.

6) We advise that no alcohol is consumed whilst using the pool.

7) Please keep noise levels down to an acceptable level whilst using the hot tub and be mindful that there are neighbouring properties in close proximity.

8) Please make sure you clear up after use of pool as there will be a charge for extra cleaning.

Thank you in advance
